

How can I get more involved?

Innisfree Housing Association is committed to providing services that are influenced by tenants, there are many ways in which you can help in achieving this. Innisfree Housing Association annually publishes a [Tenant Involvement Action Plan](#) which can be accessed on the Innisfree website.

The Plan details a range of initiatives which will help Innisfree deliver the services with more of a tenant focus. Some of these include:

- tenant representation on the Board and committees
- tenant forums and service review groups
- tenant representatives to assist with the monitoring of services to the blocks
- social activities
- a forum for tenants receiving support services
- neighbourhood activities involving the wider community
- environmental and gardening projects
- news letter articles written by tenants

In order to achieve this Innisfree need representation from as many tenants as possible. We would like to know which areas you would be interested in assisting with and how you would like to be contacted.

Below is a form which can be printed off and returned to Innisfree at 190 Iverson Road, NW6 2HL so we can make contact with you.
