Dear Applicant

Thank you for expressing an interest in joining us at Innisfree.

This is an exciting opportunity to play a key role in making a real difference to our current and prospective tenants as well as the wider Irish and other migrant communities in London. From our own history, we understand the experience of being a migrant from another place, and we are passionate about providing a friendly and welcoming environment to all our tenants.

We have a strong Board who are ambitious for us to do more of what we were set up to do and who are very supportive of our efforts to develop new homes and we are making good progress towards this objective.

We also have a strong Executive Team, with John Delahunty our Chief Executive, and Eddie O’Riordan, our Finance Director, both having been in post for seven years and Sam Connell, our Operations Director, having joined us in 2018. We are a financially sound organisation and have good operational performance.

I have just completed my first year as Chair of the Board and feel fortunate to have been part of an organisation that has been able to maintain our support to tenants through the unprecedented Covid-19 lockdown. For me and the rest of the Board, there’s great satisfaction in being close enough to tenants to know the difference we are making to their lives, but also having opportunities to do new and innovative work.

We’ve set out the key skills we are looking for in new Board Members but what is also crucial is your ability to work collaboratively and constructively with your fellow Board members as you play your part in the leadership of this great organisation.
